JULY 2021

BEAR CREEK HIGH SCHOOL

9800 West Dartmouth Place
Lakewood, CO 80236
(303) 982-8855

Dear Parents/Guardians:

We are very excited to welcome you to the 2021-22 school year. As we emerge from the pandemic, we know that there are learning gaps to close for some students and social/emotional needs that will have to be met. ***At this time, we are anticipating a more normal school experience that does not include masks or social distancing (this will continue to be dependent on the state of Colorado and Jeffco Public Health guidelines).*** Our staff is excited to partner with students and families as we continue to deliver a high-quality educational experience. In order to sustain and grow our excellence, it will continue to require a team effort. Together we can help our students' young minds achieve greatness. To support your son/daughter in maximizing their full potential, we ask that you assist your child in the following important ways:

- A large part of success for adults and students alike is a strong work ethic to include regular attendance and solid organizational skills. For your student to receive the full benefit of instructional programming, which the BCHS staff has thoughtfully crafted, they need to be fully present. This means coming to school on time and being well prepared. Please note that classes are in session each day from **7:15AM** to 2:30PM with students starting later at 8:00am on Thursdays. Please reinforce the importance of timely attendance with your student. This will serve them well now and in the future.
- Students have much to accomplish during the course of the school year. Being organized and informed will ensure they remain on track for success. In order for students to maximize their classroom success, they will need to invest time outside of the classroom through homework activities focused on demonstrating and expanding their understanding of critical concepts. The Infinite Campus Parent Portal should be checked regularly to review student progress and attendance. Please know that our counseling and instructional staff are prepared to support you and your student as they strive for success.
- ***Registration for the 2021-22 school year will be an online registration process again this year. We will have in-person support available for those that require it.*** Please take the time to carefully review the important information in this edition of the BC Dispatch. Enclosed you will find important dates, dress code expectations, schedules, and critical registration reminders. We hope you find the BC Dispatch to be helpful and you may look for future editions on our website at: <https://bearcreekhs.jeffcopublicschools.org/>

(click image for more info) OFFICE HOURS Bears! Keep in mind that ALL teachers host virtual 'office hours' every Friday morning. If you need some extra support or have any questions, please utilize this time.

bearcreekhs.jeffcopublicschools.org

- Please make sure to follow Bear Creek High School on social media as this is the method we use to provide the most timely and up to date information. We will also be continuing our weekly Bear Bulletin that you may reference.
- Along with being involved in your student's daily progress, we invite you to be engaged in the broader school community through active participation in school-based committees such as our PTSA and Accountability. The PTSA is a wonderful, active, and supportive organization centered on student success. They assist with many activities including After Prom, volunteer coordination, and student scholarships. Accountability is focused on school goals, student programming, activity updates, budget issues, and other important items. These vital groups meet monthly. Great schools need community partnerships to be successful!

We look forward to another amazing year at Bear Creek High School. We thank you for trusting us with your children. We do not take this responsibility lightly. Enjoy the last few weeks of summer!

Sincerely,

Mr. Lynn Torr
Principal

BACK TO SCHOOL

**ALL STUDENTS REPORT FOR CLASSES ON
WEDNESDAY,
AUGUST 18, 2021 FROM
7:15 A.M. TO 2:30 P.M.**

PARENT PORTAL INFORMATION

The parent portal is a wonderful tool parents can use to keep track of their students schedule, grades, and attendance. It is updated as soon as information is entered.

Parent portal passwords will remain the same as long as you have students in Jefferson County Schools. The account is linked to the parent, therefore it does not change. You will be able to see all of your children regardless of which school they attend.

Students also have access to parent portal through their own account. The user name is their student I.D. number. In May of 2012, the district had a forced password change for all students. Students needed to change their password in order to get into school computers and many other applications they use in school. This password is the password they will use to access the parent portal.

If you have forgotten your parent portal password, or your account needs to be reset, please contact Rose Schmidt at (303) 982-8727 or in the main office for assistance.

RESOURCE CENTER

Once again we are approaching the beginning of a new school year hence the list of necessary items your child will need to start his or her school year will soon be coming. Depending on the size of your family and the number of children you have to help with supplies, this time of year can be somewhat stressful. I would like to offer up some suggestions on some community resources that may be able to assist in providing some of the school supplies your child may need. Keep in mind that due to the large number of families requesting this assistance the supplies get depleted very quickly. It is advised that you contact the community agencies as early as possible. The Jeffco Action Center located at 8755 West 14th Avenue in Lakewood puts together packets of school supplies every year. Their office is located on the corner of 14th Avenue and Colfax. Their telephone number is (303) 237-7704. Every school year The Bridge Church puts together some backpacks filled with school supplies for students in need. Again, supplies are limited so please let your child's counselor know of their need at registration.

FEE PAYMENT FOR THE 2021-2022 SCHOOL YEAR

Beginning on Monday, August 2, 2021, fee payment for your student can be made online through Jeffco Connect. You may make payment for the 2021-22 school year with your debit or credit card (Visa, MasterCard, American Express, and Discover are accepted).

To access Jeffco Student Fee Payment, go to our school's home page and click on the Jeffco Connect link, or go to the Parent Portal at www.jeffcopublicschools.org. Once you are logged into Jeffco Connect, click on the "Jeffco Student Fee Payment" link on the left side. Help guides are available on the page. A receipt will be sent via e-mail confirming your payment. For fee payments made by parents beginning August 2nd, for the 2021-22 school year, no convenience fee will be charged.

CALCULATORS

Students require calculators for ALL math classes at BCHS. All students are required to complete courses through Algebra II. You may want to consider higher level requirements when investing in a calculator.

Algebra I & Geometry

A scientific calculator with trig functions sin, cos, and tan (approximately \$10.00).

Geometry Honors and higher

A graphing calculator such as the TI-83 Plus, T-84 Plus or TI Inspire (approximately \$90.00).

Graphing Calculators are available for rent from the school at a cost of \$25.00 per year, for students enrolled in Algebra II or higher. The fee is waived for students on free and reduced lunch.

2021 – 22 Online Registration and Schedule Release

Bear Creek HS will be utilizing an online process for releasing student schedules and fees payment for the 2021-22 school year.

If you need to enroll your student at Bear Creek, please call the school at 303-982-8855 and ask to speak to the registrar in the counseling office. You will need to come in for a face-to-face enrollment session. This is for students **new to Bear Creek**.

August 2nd - Online fees payment system opens

August 6th – Schedules released through the portal for students and parents to view

August 9th: 8 – 11am or August 12th : 12 – 3pm *OPTIONAL*****

For parents/guardians or students who need additional help, we will have walk-in help with:

- Schedule change requests – ****See policy below****
- Fees payment – financial office staff available
- Parent Portal help – office staff available to help

Schedule change policy:

Students can request a schedule change for the following reasons:

- Placed in the wrong level or level change needed
- Do not meet the prerequisite or failed the prerequisite
- Already took and received credit for the class
- Need more classes to meet graduation requirements
- Drop an AP class
- Warren Tech scheduling issue

If your request does not meet the above criteria, you will need to fill out an appeals form, which will be available in the counseling office on the first day of school.

Requests that are for the reasons above can be made in person during the open time on 8/9 or 8/10 OR students can **submit a request for a schedule change online with the following form:**

<https://forms.gle/wcn2C8XCX3C8ppcA6>

Student ID pictures, locker assignments and parking passes will all be done during the first full week of school. You can begin the **parking pass process** by going to the Bear Creek website under the Students section and filling out the Google form.

FROM THE NURSES OFFICE

As summer comes to a close, please consider making an appointment with your physician to get a jumpstart on health plans, such as asthma, allergy plans, immunization compliance, sports physicals or COVID related concerns.

Please note that a physician is required to fill out the medication agreement to keep any medication at school- in the health room OR self-carry.

You can visit the BCHS website for more information regarding:

- Medications agreements for meds to keep at school
- State asthma or allergy plans
- Immunizations-State standards &info
- Immunization Exemption information

With regard to COVID questions or concerns over the summer, you may visit the District Website.

https://jeffcopublicschools.org/restart_jeffco

You can provide a copy of your student's COVID vaccine card to the school health room. This can be emailed to the health aide, nurse or school registrar.

The school nurse is also here to provide support of Substance misuse and abuse of drugs and alcohol. Please click on the link below for information and resources related to substance misuse and abuse. See links below

KEEPING OUR CHILDREN SAFE

Statistics:

- An estimated 160,000 children miss school every day due to fear of attack or intimidation by others.

These numbers are alarming and with the latest generation the ability to utilize technology has expanded the reach for abuse in what we now call **cyber bullying**. It has been estimated that approximately 20 percent of children 11-18 years have been a victim at some point of their life. The effects are devastating leading to depression, anxiety and low self-confidence. Some cyber bullied youth have also reported suicidal thoughts. In addition to the cyber abuse sustained by their peers the possibility for victimization by sexual predators is real. While access to the internet can provide children with important learning experiences the internet provides access to large numbers of children and allows the sexual predator to remain anonymous. Results of a recent national survey have indicated one in five youth is sexually solicited over the internet. Given the potential dangers of children's internet usage, and other media sources such as Instagram and snap shot, the following strategies are offered for parents in keeping their children safe.

1. Talk with your adolescent about the potential hazards of online sexual solicitation and the risks associated with internet communication with strangers.
2. Discuss the dangers of face-to-face contact with someone met online.
3. Teach your child to avoid sending personally identifying information (e.g. real name, address, school, telephone number, photos) via the internet.
4. Encrypt your wireless home network.
5. Discourage your child from downloading games and other media which could contain Trojan and worm programs that enable remote access to computers by unauthorized users.
6. Supervise/monitor internet friends in a fashion similar to how neighborhood and school friends are monitored.
7. Set the internet browser (e.g. Internet Explorer) security feature to "high".
8. Place the computer in a public location such as a family room as opposed to a child's bedroom.
9. Monitor the amount of time your child spends online and frequently check the computer's Web browsers, which provide information on the websites that have been accessed.
10. Contact the Cyber Tip Line at (800)843-5678 or www.cybertipline.com if you suspect an online predator has contacted your child.
11. Some apps that help track students activities online include FamiSafe, Qustodio, Nex Nanny, Mama Bear, Screen Time, You Tube Kids, Bouncie, Respond ASAP, Bark, and Checky. For more information on these apps check out familyeducation.com/10-apps-for-parents-to-monitor-kids-mobile-use.
12. Periodically check your adolescent's phone to check their apps; not all apps are legitimate or safe. You might also want to view the saved memories on snapshot.
